

## **IISc Voluntary Blood Donor Database**

With an objective of promoting voluntary blood donation in community, Students' Council with candid help of student volunteers, has finished the work of acquiring relevant particulars of fellow students. A large number of students have joined the database as voluntary blood donors during the update-drive conducted outside the three messes. Digitization of the collected donor lists is underway.

People from IISc community, who need blood but are unable to find or arrange from a few quality blood banks around the city, can contact the following SC members.

Rajkumar Ambulage 9738504741  
Sreevalsa Kolathayar 9482088377  
Srikanth Reddy 9535323121

Health committee, Students' Council would like to thank all the forthcoming and solicitous students who have joined the database.
