Phd Student, IPC

Date: 24<sup>th</sup> May 2010

8:00 AM – 5:00 PM

Venue: Hall above A-mess

for General Secretary

**Suman Devadula**  
Phd Student, CPDM

### EXERCISE YOUR VOTE WITHOUT FAIL

**Remember to carry your ID card for voting**

Dear Colleagues,

**As it has been brought to your notice, elections for our Student Council are scheduled on 24<sup>th</sup> of May this year. Voting commences at 8:00AM and ends by 5:00PM in the hall above A-mess. Do exercise your vote without fail.**

In commitment to the welfare of the student, during the next one year of our term, we will pursue the following issues till their logical conclusion

1. Scholarship hike
2. Avoidance of Mess privatization towards ensuring provision of nutritious food
3. Curtailing inefficient practices of water-use either due to neglect, pilferage or device malfunction
4. Improving hostel hygiene
5. Increasing GARP fund for participating in international conferences and allowances for national conferences
6. We will strengthen and align initiatives like the Common Usage Bicycles, Green Gang and Notebook Drive for recognition and benefit of the students of IISc.
7. Campus cleanliness
8. We will facilitate better student placements within our capacity
9. Drafting of the roles and responsibilities of SC members focusing specifically on defining the purview of the Student council
10. We will ensure that the decisions and actions of the SC are made available to the students and would encourage them to be constructive critics on all issues the SC presides on.
11. By working in close association with the Woman's cell we will be sensitive to addressing all issues that affect their performance as students
12. We will ensure that issues related to clearing of medical reimbursements, late night doctor availability are addressed and solved within the next one year
13. We will work towards providing dedicated Wi-fi connections for the Student Hostels with limited bandwidth

Through this manifesto we intend to dedicatedly work for your welfare thereby proving our candidacy for the posts of Chairman and General Secretary. Please exercise your vote without fail.

---

#### Candidate introductions

Rishikesh has done his Masters in Chemistry and joined IISc in Jan 2006 for the PhD program in the department of Inorganic and Physical Chemistry. His research interest involves Understanding the Solvent Effect and Excited state Dynamic using Time Resolved Resonance Raman Spectroscopy. He has been actively involved in the Student Council and served as the member of the Academic Committee in 2008-2009 SC team and volunteered the various events like Centenary Conference, Science and Technology Run, Help the Needy and TMC Science Quiz.

Suman Devadula has a Master's (2007) from Centre for Product Design and Manufacturing (CPDM), IISc and has worked as an Industrial Designer till 2009. He has chosen to come back to IISc for pursuing a Phd in Sustainability. Design and cognition are his other areas of interest. He has initiated and volunteered in independent student drives helping victims of flood and other emergencies and also those concerning the environment.
