Junior Research Fellows and Project Assistant

Applications are invited on plain paper for the posts of JRF and for the post of Project Assistant in the Department of Biotechnology sponsored Research Projects as mentioned below.

(1) Production, Purification, Characterization, Structure Determination and Application of Phycobiliproteins from Cyanobacteria. (1 JRF for a period of 2 years)

(2) Isolation, Identification and Characterization of Genes for Azo Dye Degradation: An Approach towards Construction of Efficient Bioremediation Strain. (2 JRF & 1 PA for a period of 3 years)

ELIGIBILITY:

For JRF: M.Sc. 1st Class or higher 2nd Class in Microbiology/Biotechnology/Biochemistry/Environmental Science with consistent good academic record. JRF will get a fixed amount of Rs 8000 per month + HRA.

For Project Assistant: B.Sc. 1st Class or higher 2nd Class in Microbiology/Biotechnology/Biochemistry/Environmental Science with consistent good academic record. Project Assistant will get a fixed amount of Rs 5000 per month.

All posts are purely on temporary basis for a period of 2/3 years or till the completion of projects. Applications stating date of birth, qualifications, experience and postal address with respective certificates should reach to undersigned on or before November 11, 2006. Open Interview will be held on Monday, November 20, 2006 at 11.00 A.M. in the BRD School of Biosciences, Sardar Patel University, Vallabh Vidyanagar.

Candidates appearing for interview should bring all original certificates (including statement of marks) in support of his/her qualifications. JRF may be allowed to register for Ph.D. degree. Preference will be given to NET-Qualified candidates. Candidates will have to appear for the interview at his/her own cost.

Date: Oct 9, 2006

Advertisement for the Post of Junior Research Fellowship

Applications are invited for the posts of two (2) Junior Research Fellows, 1 SC and 1 open, to carry out research in the project entitled ‘Magnetic Particles and Composites for Spintronics’. The project has been funded by Board of Research in Nuclear Sciences, Department of Atomic Energy (DAE), Govt of India.

Qualifications: M.Sc. in Physics, Chemistry or Electronics Science with minimum 55% marks.

Fellowship: Rs 8000 per month for the first two years and Rs 9000 per month in the third year.

The positions are strictly temporary and will be governed by the rules of funding agency and University of Pune as applicable from time to time. The positions will be terminated when the project ends in March 2009 or before, depending upon the performance.

Interested candidates should send their applications along with the Biodata before 25th November 2006 to Prof. Mrs S. K. Kulkarni, Department of Physics, University of Pune, Pune 411 007.
